Dedication

Douglas Morrisson,
Director of Student Activities

For the last eight years the students of Hayward High School have had the understanding and help of a wonderful Director of Student Activities, Douglas Morrisson. As a token of appreciation we dedicate this book to him. Mr. Morrisson was graduated from San Jose State where he later became Technical Director of the Speech and Drama Department. He came to Hayward High as a stage craft and drama teacher. He spent ten of his twelve years in this department, where he constructed and designed sixty play sets and was the originator of the Senior Extravaganza. Douglas Morrisson spends many hours with executive council, legislative assembly, student court, and is in charge of all extra curricular activities. He is also past president of Hayward High School's Teachers' Association. He is very interested in civic affairs; at the present he is Hayward Area Recreation Department Director.

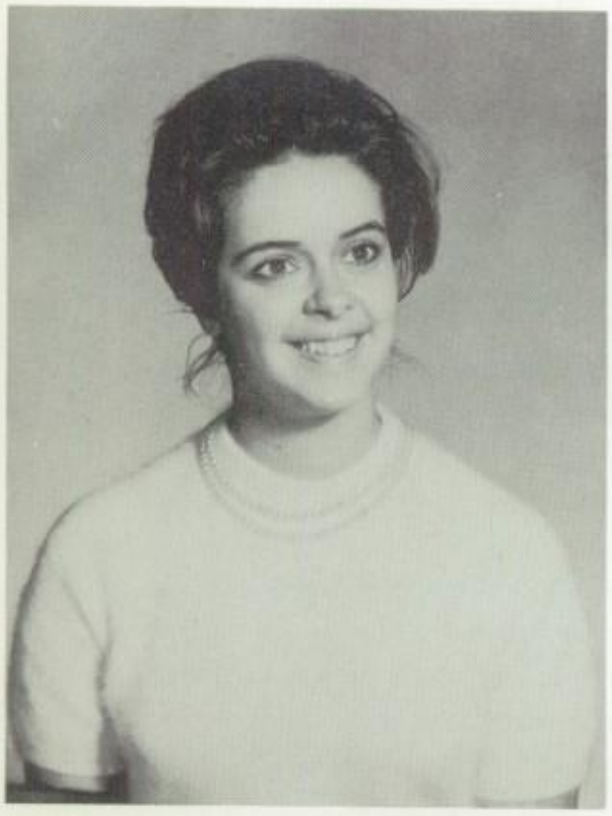
The students of Hayward High School are proud to have an outstanding teacher, adviser, and citizen as part of our faculty.

Outstanding as teacher and friend

Caught in a familiar pose, Mr. Morrisson instructs Leadership class.

Student secretary, Donna Osborne, is kept busy by many of Douglas Morrisson's responsibilities.

Latin American Beauty Comes To Hayward



Luisa Wauters,
Foreign Exchange Student

Luisa receives guidance in French from Mrs. Cronkite

Hayward High School's foreign exchange student this year was Luisa Wauters, a brown-eyed, happy Argentine. Luisa lived with Kathy Notley in the United States but resides in Buenos Aires with her mother, father, who is an engineer, two sisters, Maria Julia, 23, and Grasiela, 26, who is married, and her older brother, Jorge, 20. Luisa will enroll in the University there as a psychology major next year.

Luisa claims Argentine life is both different and similar to American life. Attitude toward religion is the main difference in teens; Argentenians feel it is more important. Dating and parties are very similar, although, she smilingly said, fathers are more strict. Luisa was terribly shocked when Kathy put tennis shoes on to go to a party.

Luisa has enabled us to share a little bit of Argentina with her and discover that teenagers are basically the same.

Luisa feeds M. Seel at lunch time as C. Enos, S. Lovejoy, and J. Fernandes look on.

Mr. Kalik explains the mechanics of typing to Luisa.

Luisa and Miss Urban go over the fundamentals of tennis.

Mr. Hanna discusses the use of the slide rule.

Principal Don Oakes points out interesting views to Luisa and her American sister Kathy Notley.

Miss Lee is her friend and counselor.

Principal's Message

Time has a way of making things precious. A yearbook worth but a few dollars at the time of its publication can become priceless in the later years of our lives. For this reason I urge each of you to cherish this wonderful book as a tie to the years which you may feel as the greatest in your lives.

May the recognition accredited to the Class of 1963 be the harbinger of greater accomplishments in the future.

I wish the graduates good health and much happiness.

Millie Olsen

Millie Olsen proves that a good secretary is a valuable asset.

Mr. Oakes and Dean Ochoa supervised Rally parade.

smoothed the way!

Our Vice Principal Says

You, the student body of Hayward High School, can feel proud of the accomplishments achieved this first year on the new campus. You have realized difficulties in transplanting traditions from the old campus to your new home, but you have made the transition with remarkable ease. As a school, and as individuals, you have all contributed a great deal to our school's development and progress. It is hoped that you may look back on this year and your experiences here with happy memories.

It has indeed been a pleasure to have been associated with you during this formative year.

Jackson Dickson, Vice-Principal

Edith Wilson, Secretary

Administrative Council meets every Monday after school in the Principal's office. All student activities must be approved by this council before they can be put on the school calendar. Another important duty of Administrative Council is to decide on local school policy, such as what is to be considered proper school attire at Hayward High.

"They are working out fine," she says, "and we only made locker checks when we felt students were abusing them." Both deans attend Deans' Council, consisting of the deans in the HHS District. This council discusses problems and makes recommendations to the Superintendent's Council as to new district policy. Both deans are members of Administrative Council and Scholarship and Awards Committee.

Fall President

Under the leadership of Barrie Stewart, fall president, the members of the class of '63 put on a donut sale in September and sold Black and Gold magaphones in October. Most exciting event occurred November 9, when we took first place in Downtown Rally with our theme "Cash in on Castro Valley." Many Farmer drivers were made happy when we sold Farmer decals for student cars. We were unable to carry on the tradition of Senior Lockers because of our new locker system. Students now have the same locker for four years at Hayward. We were also unable to have a Senior Patio until spring due to a landscaping problem. We are tiny (279) this is true,

Our new slate of officers headed by Mike Overman, president, eagerly rushed into the spring semester to make it the most successful one ever. They planned, worked, and cooperated to make the Junior Prom, Cutday, and Senior Extravaganza cherished memories. By the time May came around, we were through finals and were able to relax and enjoy the round of fun activities such as Senior Silence Day, Hayday, and Senior Ball. Of course the grand finale of a tremendous year was GRADUATION DAY — June 13th. The Seniors will always remember being the first graduating class from the new Hayward High.

Working hard Senior council met every Wednesday morning to plan Senior activities in an effort to make our last year the best one. Preserving Senior traditions represented our biggest problem. As usual our counselors stood by and helped us over the rough spots. Tremendously encouraged by winning the coveted Downtown Rally trophy, the council spurred the class on to greater accomplishments. Our counselors have counseled and taught us and we are grateful to them for what they have done for us. They are the teachers we will never forget.

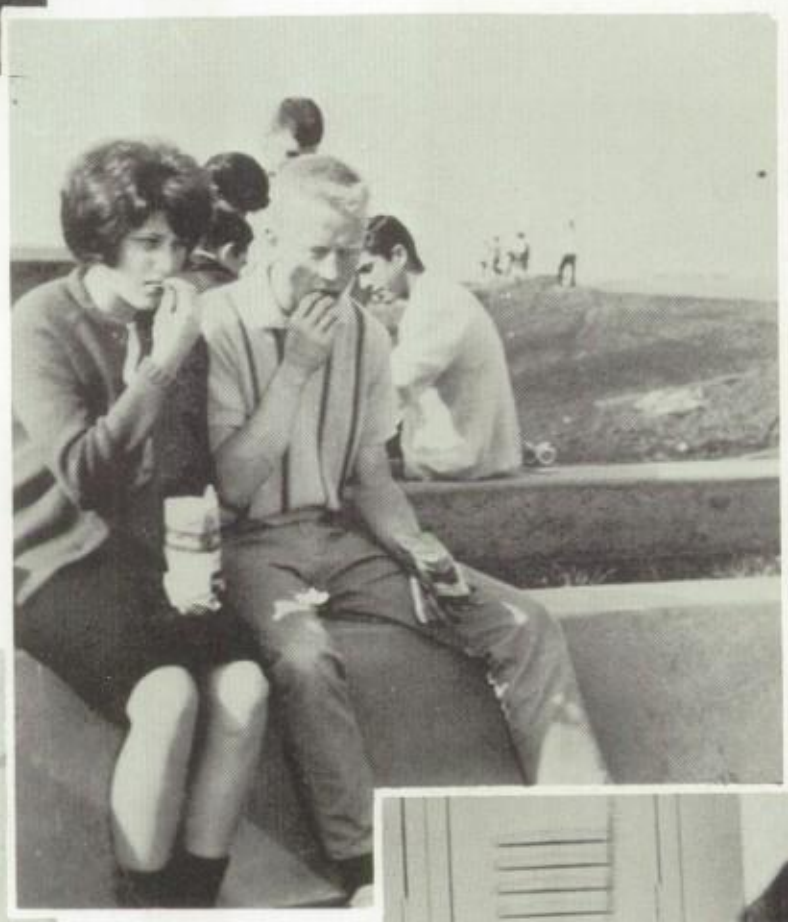
Candids of

Veronica Silva and Bill Steward were found in the hall by our camera.

During our last year in Hayward High, it seems that certain members of the class of '63 had a special someone. During lunch periods and before and after school our candid cameraman, Bob Walters, took pictures of these couples.



Karen Perdew and Roy Worley were found munching potato chips.

Bob Speed and Bonita Rubis chat between classes.

I don't know you very well, but from what I've of you, and having you in my team in math, you seem like a real swell guy with a cool personality. I wish you my best in your future years at Hayward High (it's a good school)! Have fun this summer & be good.

Best of Luck

Student Government

Director Douglas Morrisson supervises meeting led by Dave Bush, Student Body President, and Denny Smith, L. A. speaker.

Barney Flanagan
Fall Student Body President

Starting the year off at a completely new and modern school can bring many problems and changes. One problem in particular was trying to continue the tradition of Downtown Rally. But this and other problems seemed to become minor details when in the capable hands of Fall Student Body President, Barney Flanagan, and his hard-working council.

One of Barney's many jobs was presiding over Executive Council, which is the main governing body in student government. Besides student body president, Executive Council is composed of the student body vice-president, secretary, treasurer, corresponding secretary, all class presidents, both Boys' and Girls' League presidents, yearbook and Haypress editors, head yell leader, head song girl, Legislative Assembly Speaker, Head Judge, Boys' Athletic Manager, Nominations and Elections Chairman, noon activities chairman, Rall Committee president, and Service Committee president. All members must attend a special leadership class held every morning at 7:30 under the direction of Douglas Morrisson. Here they are taught proper parliamentary procedure.

Executive Council has many duties among which are paying the bills, passing new laws, getting rooter buses for the games, and setting the price of the activity stickers.

During the spring semester, President Dave Bush faced many new problems and responsibilities and handled them well with assistance of Executive Council. One of Dave's early morning jobs was leading the entire student body in the pledge of allegiance over the school's new $6,000 public address system. Although being president was hard work, the great satisfaction Dave received made it well worth his efforts.

Displaying the same enthusiasm that won them the Downtown Rally last year the junior class nearly rousted the seniors out of first place again this year. Nearly but not quite! Being the second largest class in the school (477), they sound like the peppiest. The class of "64" carried on at class council trying to develop new traditions and sustain the old ones. Class rings were the object of many admiring glances when juniors proudly claimed them in November.

Freshman Class gets organized

Freshmen Day held on September 7, gave the freshmen the opportunity of being the first class to see the new high school from the inside. In October the Big Sister Tea was held to help Frosh girls become better acquainted with upperclassmen. Senior girls served as big sisters. Bonnie Myhre organized the class under the leadership of Jim Coopman, Fall Freshmen chairman, and Kathy McCasey, Downtown Rally chairman.

After becoming acquainted with new Hayward high, the Freshmen class of "65" did a terrific job of getting organized and showing spirit at their first Downtown Rally, held in November. In January, elections were held for spring officers.

The main function of Service Committee is to serve the school. They do this by taking tickets at the games and checking student body cards. Service Committee has two divisions. They are the lower division which consists of freshmen and sophomores, and the upper division for juniors and seniors. During the school year they have one dance. At the end of the year they have a dinner to award pins.

Working along side of Service Committee is Hayward's other well known service organization called Rally Committee. The main purpose of this club is to keep order at all of the sports events, noon activities, and rallies. Under the guidance of advisors Robert Tong, and Herbert Brodahl, Rally Committee has done a fine job and has proven to be an important and rewarding addition to new Hayward High.

Members of Rally Committee can always be identified by the large black and gold hats they wear.

Legislative Assembly is the representative branch of the student body government. It consists of ten elected members from each of the four classes and a speaker who presides over the meetings. Whenever a student has a question or a problem arises, he takes it to one of his class representatives and he in turn brings it before the Assembly. There it is fully discussed until they arrive at an answer or a decision. It is only with the approval of Legislative Assembly that the budget is set up and the laws are passed.

JUDGES: l to r: D. Sutcliffe, B. Levine, D. Weir.

The third branch of Hayward's student body government is the judicial branch. Whenever a legal problem arises and both Executive Council and Legislative Assembly are unable to handle it, it is brought before Student Court. Here the head judge with the help of his capable court try to supply the necessary solution. Student Court has the final word in all legislative problems.

FALL GIRLS' LEAGUE COUNCIL: l to r: K. Parenti, J. Hickok, J. Robinson, G. Silva, J. Hall, P. Palin, M. Randall, C. Owens, C. Barrett.

Fall Girls' League

The main purpose for organizing Girls' League is to teach the girls at Hayward High to work together and be able to manage social activities. Every girl in the school is a member of Girls' League and is given a chance to elect someone from their class to represent them at the meetings which were held every Friday morning in Room C3, with the guidance of Dorothy Buckley and Paulita Bacich.

With Fall President Jill Hall at the helm and with the help of her fine council, Girls' League sponsored another successful Big Sister Tea. This entertaining, but vitally important event has become a tradition at Hayward. Another very successful event which this organization sponsored was a fashion show held on December 20.

Fall Boys' League

Every boy at Hayward High is a member of Boys' League, which is the counter part of Girls' League. Advised by Gordon Heritage and Anthony Ochoa, the primary purpose of this organization is to promote good will and fellowship among the boys of the school. Making up Boys' League Council are the representatives from each of the four classes and the Boys' League President. They are elected by the male members of the student body and meet every Monday morning in Room E3.

At the beginning of this school year the students at Hayward High had somewhat of a parking problem since the parking lot of this new school hadn't quite been completed. Being a service organization and always ready to help, the Fall Boys' League President, Jay Friedrichs, and his council made it possible for students to park on East Avenue. When the parking lot was completed, Boys' League also helped with the inspection of the cars and the issuing of parking spaces.

Spring Girls' League

As usual, Klea Eichholz, Spring Girls' League President, along with her helpful council were kept very busy during the spring semester. On February 21, Girls' League sponsored a very successful fashion show in which both senior girls and boys participated. For Hayday, Girls' League had their traditional confetti-filled eggshell booth. They wound up the year and finances by awarding traditional scholarships to the most active members in the Girls' League.

Spring Boys' League

Spring Boys' League President Rich Liranzo and his hard working council had a very busy semester. Their major task was getting the pennants from old Hayward High up in the new gym. Helping to beautify the landscape of the new school, Boys' League donated a tree. At the end of the year the most active member received the League's traditional scholarship.

MISS SEPTEMBER

Students return to a new campus

After two months rest from the books and homework, Farmers once again started another school year. It was the usual meeting of friends and the fabulous football games, but it seemed much more important to be on our new campus. Freshmen were the first to get acquainted with the campus on Freshmen Day, which was held on September 7, when they were welcomed by our yell leaders and song girls. Two additions to student life are the new locker system and our uniquely designed library.

Miss October

The month of October held many activities for the students. With the theme, "The World of Suzie Wrong," Girls' League presented its traditional Big Sister Tea. The tea is primarily given to acquaint the freshmen with Hayward High. Our first dance, held on October 19 in the Cafetorium, was the Foreign Exchange Dance given by Service Committee and Executive Council. The dance provided the students with a chance to meet our exchange student. The month was concluded with the dedication of our new school by Congressman George P. Miller, who presented our school with our national flag, one which had flown over the Capitol in Washington, D. C.

Starting the month of November off with a twist was the Sophomore Class Dance held November 2 in the cafetorium. With the theme of "Stranger On The Shore" the dance was a huge success. Later in the month the Junior Class of "64" had the long-awaited pleasure of receiving their class rings.

Hayward High book covers were sold during the month by Key Club to raise money for planned events. Ending the month was car registration conducted by Boys League and the traditional awards assembly where League winning Farmer team received recognition well deserved.

Victory for Class of '63

Senior Class displays spirit that won them the Downtown Rally.

The winning float belongs to the Junior Class and they inspect it just before the rally.

Biggest debate of fall semester was whether we would be allowed to continue the traditional Downtown Rally, previously held every year on the day of our last football game. Since moving to our new campus, removed us from "downtown", and our new football field was still a mud-hole—our problem seemed unsurmountable. Sparked by C. Enos and W. Mountjoy, the task of planning the rally was backed by Executive Council, who solved one of the main problems by getting Bret Harte Jr. High to agree to let us store our floats there. Hayward Police Department gave their whole-hearted cooperation and guided the parade downtown. Meeting in the boys' gym after the parade, classes competed with songs, yells, and skits. The entire rally lasted 2½ hours. Winning class was awarded a large trophy during half time at the Castro Valley game. The trophy now stands in our boys gym with the winning class engraved upon it.

Showing a great deal of pep and enthusiasm the Junior Class marches downtown.

MISS DECEMBER

One of the most popular events of December was the annual Sadie Hawkins Dance. With the theme of "Dogpatch Paradise" the Juniors sponsored this dance on December 14 in the cafetorium. Many couples were seen in matching outfits. Chosen as king and queen at the dance were Rich Souza and Pam Wallin who reigned as "Little Abner and Daisy Mae."

Girls' League sponsored the traditional Christmas Box Contest in order to assure a more joyful Christmas to needy families. The boxes, entered by all 2nd period classes were judged on content and five winners were selected from the entries. Something strange was seen on campus this month when students from the highland areas rode horses to school in order to protest against no bus transportation. Ending the month's activities was the annual holiday pageant "The Nativity" held on December 19 and 20 in the cafetorium.

Pam Wallin and Rich Souza were crowned as king and queen at the Sadie Hawkins Dance.

Our Queen Comes From Argentine

Overjoyed with excitement, Luisa Wauters is accompanied by her attendants, L. Cabral, M. Coopman, C. Enos, and M. Seel.

On the night of January 4, 1963, Luisa Wauters was crowned as Campus Sweetheart at the Block H and Key Club dance. She was gifted with two dozen roses and a charm in the form a heart with "Campus Sweetheart, 1963" engraved upon it. The queen's four attendants were also given a dozen red roses and a charm.

The "Campus Sweetheart" contest was sponsored by the Agrarian Staff. Each candidate had to be a senior girl representing a club or organization. The girls vying for the dream position had to have a C average or better and all had to be approved by P. Bacich, dean of girls. Voting for the prettiest senior girl on campus was held on January 3, before school, at lunch, and after school. To be eligible to vote, each student had to have $3 paid on his yearbook.

This year the spring elections were headed by Bonnie Myhre, fall nominations and elections chairman. Many campaign posters were plastered on walls, doors, hall, and people! Nominations assembly was held Monday for student body candidates and elections were supervised in social studies classes on Tuesday. MISS FEBRUARY

February was filled with plans for the Junior Prom, with Cheryl Enos as general chairman. Participating in the Exchange Week was Thalia Vassiliou from Crete, Greece. She stayed for a week at the home of Carin Waterson. Our Luisa Wauters traveled to Walnut Creek. Lamplighters had a very fascinating and educational trip to the laboratory at Eden Hospital. Locker-check day involved all teachers and all students.

The March winds blew past many activities this month. The Junior Prom was held on March 15 in the gymnasium. Seniors went all out with the theme "Garden of Wishes" which was carried out with the beautiful decorations and the thought of wishes the juniors might look forward to. The class of '63 presented the formal dance in honor of the class of '64 and it was a job well done. The distribution of Haypress was done by News Bureau every Wednesday.

Publications staff struggles with budget problems

The Agrarian staff has worked on "Turning Over New Ground" to create new traditions and sustain old ones. Fighting against budget problems, we have tried to capture memories of games, dances, rallies, and exciting days not soon to be forgotten. Editor Sue Grushkowitz and her staff sincerely hopes that this year's Agrarian will keep these memories fresh in the minds of all Farmers.

Fall Haypress Staff keeps the presses rolling!

Getting acquainted with our new location on East Ave., Hayward High's Haypress started at once to provide the school paper for all students having student body cards. The Haypress staff never has a dull moment with deadlines to meet, ads to sell, stories to write and journalism techniques to learn. Haypress has earned a tremendous reputation and is the only school paper in our district to be published every week. Advisor Eleanor Hawksley, helps keep the presses rolling and the class in good spirits at all times.

Costumes of the 1910 style were designed by Joseph Sibilia's costume design class.

Despite the slow start due to non-completion of our stage, Stagecraft class worked speedily to prepare scenes for "The Nativity" and "My Three Angels" during the fall semester. Adviser Nickolas Roukes kept the class working to capacity throughout the spring semester, designing sets for Children's Theater and Senior Extravaganza.

From yards of material they created beautiful and original costumes for "The Nativity", "My Three Angels" and Children's Theater. Championship Squad Celebrates Victory

T. McCarthy shows his ability in eluding the Arroyo Dons.

By virtue of the 25 to 6 clobbering of arch rival Castro Valley, our varsity captured their first outright grid championship since 1933 and really enjoyed the limelight and celebration accompanying this victory. In traditional style, the two coaches, three managers, and several innocent bystanders were dunked in the showers that same night. The team was feted at a banquet given by the Booster's Club and later received gold footballs at the Awards Assembly. Tapped on the shoulder for college football were Terry McCarthy, (who closed out a fantastic three-year performance here at Hayward) Mike McCarthy, Jack Erwin, and Bill Schwerm.

The joyous varsity football team carried their coaches away after cinching the H.A.L. title by beating the Castro Valley Spartans.

Block H is a popular club

Block "H" is one of the most active clubs at Hayward High. In the Fall, under the leadership of President Jack Erwin, Block "H" was a co-sponsor of the dance at which the Campus Sweetheart was crowned. Block "H" makes money for their treasury by selling candy and coke at all sports events.

In the Spring, with Bill Schwerm as President, Block "H" had their traditional dunking booth at Hayday. They gave a $50 scholarship to the most valuable football player, as well as donating to the foreign exchange fund.

Skit, scat . . . . . is a familiar routine led by the Hayward High yell leaders who performed at all varsity sports events and assemblies. To be chosen for yell leader each girl must have a great amount of spirit and must maintain at least a B average. Being a yell leader is a privilege as well as an honor.

Wanda Mountjoy, Head Song Girl

We are Farmers . . . . . is one of the Hayward High students' favorite songs, led by these girls who performed at the year-round varsity sports to encourage spirit throughout the student body. Their uniforms were additional highlights to Hayward's sports events. Our song girls must maintain a B average and must be energetic and spirited.

The ever popular Megaphone Club held the fall tryouts in the cafetorium Nov. 2 with capacity crowds in attendance and some 90 trying out for class yell leaders and song girl positions. Fifty-six girls made the final selection with adviser Doris Lewis's approval. The club met every Wednesday after school in the School gymnasium.

Downtown

Proving that a small class can be mighty, the Class of '63 captured the trophy of this year's Downtown Rally. With the theme of "Cash in on C. V.", the Seniors marched to victory led by a huge cash register as their float. With good organization, neatness and a lot of spirit the class did a job well done.

Under the leadership of Jill Garay the Class of '64 came up with the theme, "Spartan Scrapper". Working together as the Spartan Scrapper Crew the Juniors proved to be very spirited and enthusiastic. Their float, a huge black and gold crane, led them as they marched downtown.

SOPHOMORE SONG GIRLS: Front Row l to r: D. Garcia, V. Gizdich, L. Lombard, J. Julian. Second Row: S. Rosvall, P. Mendoza, D. Pennypacker, J. Schmidt.

"Dishearten the Spartans" was the goal of the Class of '65 and that's what they did with a delicate operation as their skit. Their float, a Spartan's heart, showed originality and a show of class colors. The sophomores provided good competition with their display of spirit and organization.

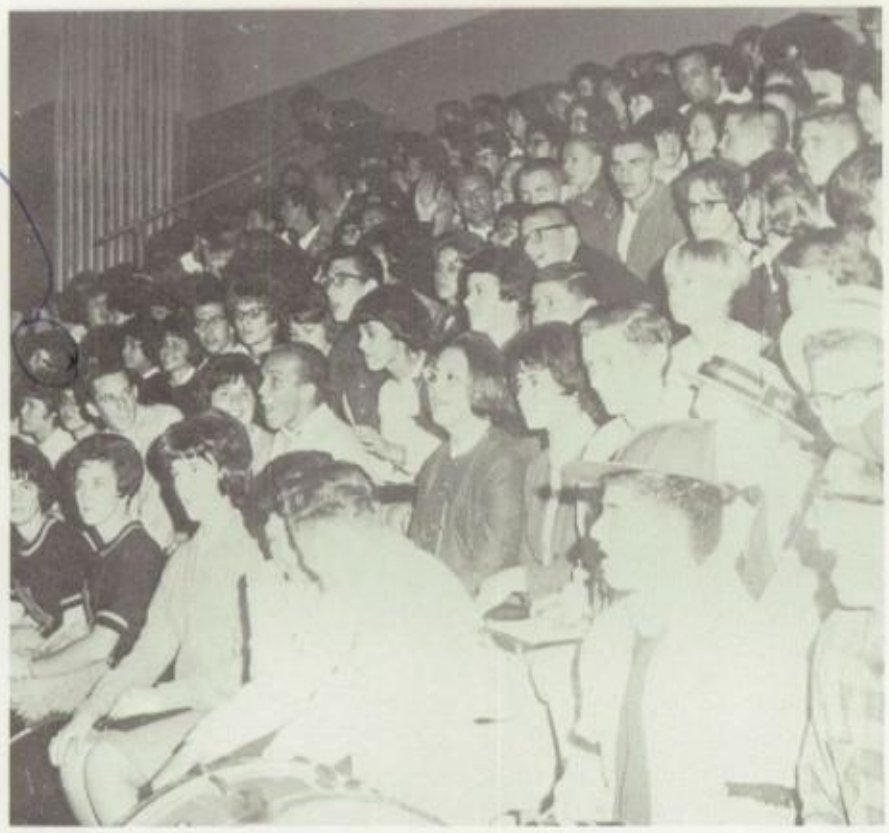
Hayward's spirit makers were always there to lead rooters in yells and songs.

Fall Spirit

Using their ingenuity our cheer leaders and song girls created noon yellouts between the classes to increase their spirit for the game after school. Due to an uncompleted football field all games were held away.

Spring Activities



Rooters turned out at many basketball games to cheer our team to victory.

Many Hayward High Farmers enjoy eating at the B Q Ranch.

Facts Fads and Fashions

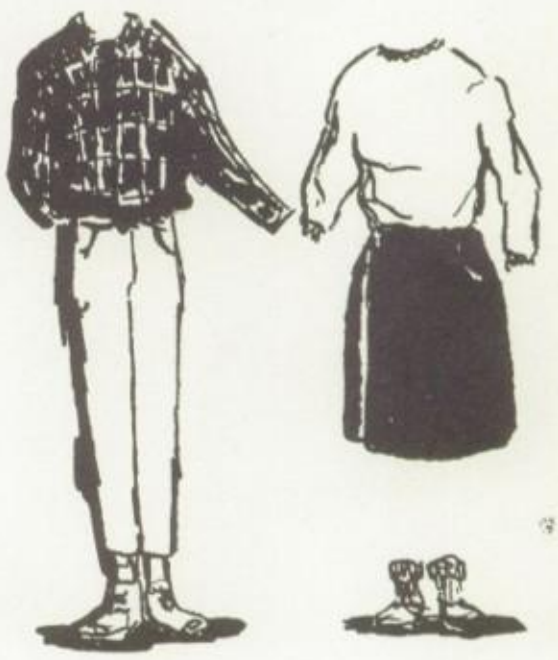
A summary of events for 1963

All the new fads and fashions appeared on Hayward High School's new campus at one time or another this year. Eating pizzas and eating at Pring's were still the two favorite pastimes. While many students were struggling with the "Twist", "Pony" and "Mashed Potatoes" a few brave souls tried their hand at doing the "Limbo." The very latest dance was "White Levis" inspired by the white levis, tennis shoes, and ski jackets the boys sported this year. Every girl had to have a wrap-around skirt to show off her long sleeved sweaters or Dr. Kildare (or Dr. Casey) Blouse.

K. McCasey and L. Wright hold limbo bar for B. Walters.

Pizzas were popular.

White levis, Pendleton shirt, tennis shoes and wrap-around skirt popular attire.



Startled by fire drill buzzer are: J. McCasey, S. Little, J. Kroski, and D. Smith.

Hayward High, as well as the rest of the world, felt the scare of the "Cuban Crisis." We might have felt it even more since our electrical system shorted at the most unusual times and fire drill buzzers sounded off without warning. Teachers as well as students thought the Cubans might be attacking and the buzzer was signalling us to be prepared. Everyone was relieved when things went back to normal.

President Kennedy started a tremendous fad that swept the country overnight when he okayed hiking 50 miles in 20 hours to advance his physical fitness program. Hikers could be seen trudging through rain-filled nights. Sore feet and rundown shoes were big on the scene.

The rainy weather brought out bright yellow slickers that added a bit of color to the dreary days about campus.

The final task in "Turning over new ground" was finally completed when our planter sections (after being rock piles all year) blossomed forth with greenery. All these things helped make 1963 a year to remember at Hayward High.

S. Geritz, D. Shaw, S. Seevers, J. Geritz, K. McCasey, K. Seevers show off their yellow slickers on a rainy day.

Editor Sue Grushkowitz (Grush) waits for Assistant-editor Barbara Moniz to call in deadline pages.

Conclusion

"Turning Over New Ground" at a new school campus proved to be quite a task for the members of the various branches of our student government and for the student body itself. The upper classmen found it difficult getting used to the new surroundings, while the freshmen were just as new as the school. We had to leave behind us many privileges, but it has been the job of our student body government to solve these problems. Among its pages the Agrarian has tried to capture the rebirth of Hayward High on its new campus, with the many memories of the difficult but enjoyable task of "Turning Over New Ground."

In Appreciation

The staff of the 1963 Agrarian sincerely thanks Lawrence McCaffrey of Mirro-Graphic Printers, David Vickery, Kee Coleman Studios and staff, Jerry Kalik, Eleanor Hawksley, and Herbert Brodahl for their help in the production of this book. And most important of all we extend a special thank-you to our adviser, Muriel Silva. Editors Sue Grushkowitz and Barbara Moniz extend a special thank-you to our staff for their co-operation on the deadlines. Another special thanks to our diligent, cooperative photographers, Hugh Rowland and Bob Walters.

Hugh and Bob "lived" in the darkroom.

The Agrarian staff helped "Turn Over New Ground."
